RE: FEMA Flood Hazard Zone Mapping

In an effort to assist anyone affected by the changes to the FEMA Flood Hazard Zone maps that were adopted July 3, 2012, FEMA has created an interactive web map that is available to anyone with internet access. We encourage all municipalities to supply the following links on their website.

The current FEMA Flood Hazard Zone map can be found at the following link:

<http://bit.ly/1iSPDHE>

Information about the FEMA Flood Hazard Zone Map:

<http://bit.ly/1bVqPZ2>

Information Provided on Map

- Flood Hazard Zones
- Aerial Imagery
